TARGET AUDIENCE
This conference is designed for physicians, infection preventers, healthcare epidemiologists, infectious disease specialists, microbiologists, nurses, pharmacists, and other healthcare professionals interested in healthcare epidemiology, infection prevention, surveillance, research methods, patient safety, environmental issues, and quality improvement.

ACCREDITATION STATEMENTS
The Society for Healthcare Epidemiology of America is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Physicians: The Society for Healthcare Epidemiology of America designates this live activity for AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses: This activity will be submitted to the Virginia Nurses Association for approval to award contact hours. The Virginia Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

Pharmacy Credits: (Only available for the SHEA Antibiotic Stewardship Training Course in addition to CME and CEU)

The continuing education activities for pharmacists have been developed through a joint providership of ProCE, Inc. and SHEA. ProCE is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education (CPE). Please see the website for full information.

REGISTRATION

Registration Opens October 2016
Registration rates include, 2 breakfasts, 3 lunches, 4 breaks, and online access to all presentations including Poster and Oral Abstracts. Register online at SHEA.org.

Opportunity to Submit Scientific Abstracts
Re-Launch of the SHEA Epi Project Competition
Ability to participate in the SHEA Mentorship Program

SEPARATE TRACKS OF EDUCATION
Focus on Innovative topics addressing unanswered issues in Healthcare Epidemiology & Antibiotic Stewardship

FEATURING

Highlight the special features of the conference in a visually appealing manner.
Dear Colleagues:

We look forward to seeing you in St. Louis this March!

Specific 2017 highlights include:

- Focused scientific abstracts related to healthcare epidemiology, surveillance, implementation science, patient safety, and prevention strategies.
- Cutting-edge healthcare-associated infection prevention and antibiotic stewardship education.
- Plus sessions on multi-disciplinary and integrated approaches involving implementation science.
- Networking opportunities that allow for informal discussions with SHEA leadership, fellows, infection preventionists, and pharmacists focused on healthcare epidemiology and stewardship.
